'Knowing each child, growing each child, in God's love'

Friday 16th April 2021

Christian value: HONESTY

Dear all,

I would like to welcome you all back to school and hope that you enjoyed being able to meet with some family and friends over the Easter break. It certainly did not feel like the start of the summer term when I arrived on the INSET day to falling snow but after having the children back in class and a little spring sunshine, it feels like we have never been away. Staff are looking forward to having uninterrupted focus on the children's progress and learning this term, as well as supporting them to take part in as many of our 'normal' activities as we are able to. However, it is important that we all continue to follow public health advice and inform the school immediately if anyone in your household has symptoms or a positive test.

Ofsted Report

I am delighted to be able to share the Ofsted letter following our recent monitoring inspection. It is a positive reflection of the great work the school does and the progress that is being made. Once Ofsted are able to resume on-site inspections, the school will have a two-day visit, which can enable us to change the overall grading.

Information from the Governing Board

Our governing board are looking for volunteers to help with grant applications. Please see attached letter for more information.

Access to SEND information for parents

Please be aware that Kids Hubs have now closed and there is now one point of access to information, advice and support for children and young people with special educational needs or disabilities (SEND) and their families and an increased team of SEND experts. To contact SENDIASS: Email: sendiass@hertfordshire.gov.uk or Call: 01992 555847

Online Safety

As the restrictions being to ease and the weather brightens up, I know children will spend less time online. However, it is important that we continue to talk to them about online issues. The Childline website has lots of advice for parents and carers. This link is particularly helpful for online gaming: <https://www.childline.org.uk/info-advice/bullying-abuse-safety/online-mobile-safety/online-gaming/>

Kind regards,

Mrs Bridgman
